Re: "Comments" in MB Docket No. 87-268

Dear Ms. Dortch:

On behalf of Southern Broadcasting, Inc., permittee of DTV Broadcast Station WKDH-DT, Channel 45, Houston, Mississippi, there is transmitted herewith, a copy of the licensee's "Comments" as filed with the Commission in MB Docket No. 87-268 on January 25, 2007. The "Comments" were submitted in paper format, and were timely-filed with the Commission's off-premises depository located at 236 Massachusetts Avenue, N.E., Suite 110, Washington, DC. Please note the Commission's official "Received" stamp and the date, located in the upper right-hand corner of the first page.

Frequent monitoring of the Commission's ECFS database has revealed that the "Comments" still have not been scanned into the system. However, a brief one page letter with a single page attachment that was filed on January 26, 2007, does appear in the ECFS database.

It is respectfully requested that the referenced "Comments" resubmitted hereby, become a part of the official record in MB Docket No. 87-268. Should any questions arise in connection with this matter, please do not hesitate to contact this office.

Very truly yours,

Robert E. Levine
